

Due to their remarkable effort of publishing their paper "Occurrence of Cryptosporidium spp Among People Live in North of Baghdad" published at The European Journal of Scientific Research, The President of the University of Baghdad addressed a letter of appreciation to Prof. Dr. Ihsan M. al-Sakir, Assist. Prof. Dr. Suhaila H. Mohammed and Lect. Dr. Hareth Saeed, members of the faculty of the College of Science. The Dean of the college and his administration congratulate this team and wish them to achieve more success.
